

# PARENTS AND FAMILIES

## WE NEED YOUR HELP!

We are updating our class reading and library spaces.

We are trying to have as many different types of text as possible in our reading areas so that pupils can choose different texts to read.

Do you have any of the following that you could donate to support us?

**Catalogues**—old clothing catalogues or any type of catalogue suitable for school

**Magazines**—sports, cars, motorbikes, animal etc suitable for pupils to read

**Comics**—any old comics from your children

**Programmes**—from sporting, music or any other events

**Books**—non fiction, joke books, nature, history

**Brochures**—holidays, cars, etc

Please hand any donations to the school office or Mrs Walker.

Thank you so much for your support!
