

Seesaw @ St Luke's!

Did you know there are 2 types of Seesaw?

You need both for Home Learning!

CLASS

This is **new**. You **need** the Class app so the children know what it is they need to do for their amazing Home Learning!

Don't have your child's login for the Class app?
Just message their teacher and they will send it to you!

FAMILY

You use the family app to send and receive messages with your child's teacher. You can also see and comment on your child's work.

You also need the Seesaw Class app so the children can access their Home Learning!

You can also access both child and parent accounts at:
