

School Recovery Plan - Phase 1

Summary of Key Information for Parents

General Points:

- ✎ We will ensure key worker children and vulnerable children are in every day.
- ✎ We may allocate staff by stages/levels rather than specific classes – this will assist blended learning approach; teachers will work closely together to ensure high quality learning consistently across each stage.
- ✎ We will have a full risk assessment in place and I will be visiting St Luke's prior to opening to ensure the risk assessment is rigorously applied.
- ✎ Procedures for pick up and drop off will be agreed and shared with you prior to your children coming in to school.

Health and Safety

- ✎ Cleaning arrangements have been organised centrally. All deep cleans have already been completed and cleaners are in school regularly.
- ✎ Signage is being provided centrally with associated guidance to ensure social distancing is adhered to.
- ✎ No members of the public will be allowed in the building. This includes our parents and carers.
- ✎ There will be staggered entry times for our pupils arriving in school and there will be staggered finish times. These will be communicated shortly with parents and carers.
- ✎ There will be staggered breaks and lunches across the school to support social distancing.

Classrooms

- ✎ To aid social distancing in the classrooms, each child will sit at one desk, with the one next to it taped to show it cannot be used.
- ✎ Early Years classrooms will be arranged using the guidance provided by the Early Years Team.
- ✎ Unnecessary furniture will be removed.
- ✎ All children will have an individual resource pack with all the learning materials they will need in school.

Lunches

- ✎ Lunches will be eaten in classrooms as dining areas may be used to accommodate groups of children and young people. This will also make cleaning easier.
- ✎ Only packed lunches will be available.

Children

- ✎ No uniform will require to be worn until October
- ✎ Guidance will be issued to families to ensure clothes worn to school are washed after each day at school. A dress code will still be established eg no football strips.
- ✎ Children should bring a schoolbag to school.
- ✎ Children should bring a water bottle to school as the school water fountains cannot be used due to COVID-19 health and safety guidance.
- ✎ All clothing in school should be labelled so that it can be returned easily.
- ✎ Shoes won't be changed on entry to school.
- ✎ Coats should not be hung in cloakrooms. They should be on the backs of chairs.
- ✎ There will be no PE in school. PE sessions will form part of our blended learning at home.
