

Home Learning Grids- First Level

Each day, you will find one literacy, one numeracy and one other task. The other tasks will focus on Expressive Arts, HWB (inc. RE), PE, Technology or Social Studies. In total there are three tasks to complete on a daily basis, other than Friday where a total of two tasks will be provided. Any work completed can be uploaded to your child's Seesaw account via the green 'Add' button.

Day 1

Literacy

Learning Intention: I am learning to use description in my writing.

You have got the chance to design the mobile phone of the future. There are no limits to how amazing it can be.

- What will it look like?
- What features will it have?
- What else can it do?

Numeracy

Learning Intention: I am learning to identify right angles.

How many right angles can you find around your home? What could you use to help you identify right angles?

Expressive Arts

Learning Intention: I am learning to express my ideas through a design.

Pick your favourite shop or brand and redesign the logo. How do you think you can make it better? Can you make it more appealing to customers? Explain how you think you have done this?

Day 2

Literacy

Learning Intention: I am learning to describe my feelings.

Emotions Writing

List as many emotions as you can think of. Write a sentence about what makes you feel each one *i.e.* *I feel anxious when I meet someone for the first time.*

Numeracy

Learning Intention: I am learning to identify lines of symmetry.

Symmetry Hunt

Search your house for lines of symmetry. How many symmetrical objects can you find in your bedroom? Do any of them have more than one line of symmetry? Which shapes have you found lots of? Why these shapes in particular?

STEM

Learning Intention: I am learning to design and construct a model and explain my solution.

Create your own Board Game

Create your own board game. Think of how you would like to design it, how many people can play and what the rules might be. Use card and Lego figures to make your game last longer!

Day 3

Literacy

Learning Intention: I am learning to use punctuation in my writing.

Speech Marks

<https://www.bbc.co.uk/bitesize/topics/zr6bxyc/articles/zhqh92p>

Go to this link to watch a short video about how to use speech marks. There is a quiz you can take too. Try writing some speech of your own. Look at the book you are reading. Can you find any speech?

Numeracy

Learning Intention: I am learning to use mental and written strategies to solve addition questions.

Addition

Roll two dice (or write the numbers on paper and pick two). What is the total number of dots? Can you work it out a different way? Can you write the sum you used to find your answer?

Challenge: Can you roll 3 dice and find the total? How many different ways can you work out the total?

HWB

Learning Intention: I am learning to create movement patterns to improve my fitness.

Create an Outdoor Workout Routine

Plan a sequence of four or more activities that increase your breathing and heart rate.

For example:

Hop/run/skip between two markers. How many laps can you do in 2 minutes?

Jump across a line (you could use a crack between paving stones). How many jumps can you do?

Jumping jacks. How long does it take you to do 20?

Day 4

Literacy

Learning Intention: I am learning to find information.

Animal Fact File

Choose an animal to research. You can now create a fact file for that animal.

You can research:

- What it eats
- Where it lives
- Describe what it looks like
- Find out a very interesting fact about it.

Numeracy

Learning Intention: I am learning to combine and count equal groups.

Count the Legs!

Count the number of legs of each of the things below in your home and record each as a number sentence:

- legs of tables in my home, e.g. $3 \times 4 = 12$ (3 tables with 4 legs = 12 legs)
- legs of people in my home

Legs of cats, dogs or other 4-legged animals in your home.

RE

Learning Intention: I am learning to reflect on Bible stories and their impact on me.

Choose a Bible story and think of a creative way to retell it. You could draw a comic strip, make puppets or do a stop motion video. Include yourself at the end to share what the story means to you.

Day 5

Literacy

Learning Intention: I am learning to describe events.

Diary Entry - Nature

Start a nature diary, make a note of what you see out of your window/in your garden, every day. Are there any repeat visitors? Can you think of ways to attract more nature for you to observe?

Numeracy

Learning Intention: I am learning to use mental and written strategies to solve problems.

Problem Solving - Pyramid number blocks

In the pyramids the two numbers below add to make the number above. Complete these two pyramids. Now create your own!
