

# Summary of School Improvement Plan 2023-2024

- Agree a St Luke's Learning, Teaching and Assessment Policy;
- Focus for all learners on reading and effective reading skills;
- Use of new Literacy and Numeracy progression pathways to ensure curricular coherence;
- Use of Concrete, Pictorial and Abstract approach in numeracy;
- Encourage learners to develop mental strategies in numeracy through use of Number Talks;
- Targeted intervention groups to support learners in literacy and numeracy

- Review planning processes to ensure robustness and creativity and to include children's voice;
- Use of new Midlothian Pathways for all curricular areas;
- Curriculum enrichment through partnerships to offer academic, cultural and sporting opportunities;
- Develop pupil voice through Decision Making Groups, Laudato Si and a Rights Based Approach;
- Ensure readiness to learn through whole school focus on listening skills;
- Embed our newly refreshed Vision, Values and Aims so that they are understood and visible

Ensuring our wider curriculum meets the needs of all

Raising attainment in literacy and numeracy

Ensuring all children are valued and included

- Work with St Luke's community to understand bullying and how to stop it;
- Revise our St Luke's Relationships Policy;
- Embed the One Trusted Adult Approach;
- Ensure all learners are supported through wellbeing interventions including The Snug;
- The Inclusive Classroom approach
